

Investing for Success

**Under this agreement for 2017
Alexandra Hills State School will receive**

\$76,574.00*

This funding will be used to

- Diagnose learning difficulties for all students and co-ordinate resources through the *Student Provisions Committee*.
- Ensure all students not achieving the *NMS* have *individual Curriculum Plans* to addressing identified learning requirements.
- Enhance teacher capacity through focused coaching and professional development in priority areas.
- Maintain 100% of Year 3 students making the *National Minimum Standard for Reading*.
- Maintain 100% of Year 5 students making the *National Minimum Standard for Reading*.
- Increase the percentage of Year 3 students in the *NAPLAN U2B* in Reading to 68%.
- Increase the percentage of Year 5 students in the *NAPLAN U2B* in Reading to 55%.
- Increase the attendance rate of all students to 93%.

Our initiatives include

- Analysis and planning of responsive teaching strategies to occur both informally in coaching dialogues and formally in twice termly monitoring meetings utilising *OneSchool* dashboard data and internal data sets.
- Use school-based and systemic data to identify students requiring extension/intervention.
- Monitor progress of identified students and chart growth in 5-10 week cycles.
- Engage all teaching staff in professional learning to develop whole-school pedagogical practice for explicit teaching.

Investing for Success
