FROM THE FRONT DESK

Joy and pride grow from knowing you have done something as well as you can do it.

P&C AGM

Thank you to everybody who turned up to Tuesday's P&C AGM. It was great to see so many people and such enthusiasm. Congratulations to the elected executive. I am certain it will enable *Alexandra Hills State School* to prosper under a stable and committed team.

MANDATORY DOCUMENTS

Last Friday, I submitted the *2016 Action Plan* which provides a strategy to address the findings of last year's school community review. I also finalised and submitted the *2016 School Budget* and the *2016 Annual Implementation Plan*. All three documents reflect the priorities which will be the focus of this academic year. This year there will be a sharp and narrow focus on key priorities. Primarily; improved communication, the building of a positive school community and a whole-school focus on literacy. All three documents are available at the front office. If you have any questions or would like to be talked through any of the documents, I am more than happy to do so.

CLEAN UP AUSTRALIA DAY

Today *Alexandra Hills State School* participated in *Clean Up Australia Day*. All classes cleaned an area of the school with the aim of both beautifying our learning environment, and building an awareness of the discarded rubbish that is not being placed in rubbish bins. It is great to see such an interest in the program and has seen students independently picking up rubbish at lunch time to ensure our school is litter free.

Have a great weekend everyone!

Jabiru Kids has planned a great program of activities for the Easter holidays. We'll explore the natural world, making all sorts of things from natural materials from percussion instruments to rubber stamps.

Children from Alexandra Hills State School are warmly welcomed at Jabiru's vacation care programs at Hilliard, Coolwynpin, Birkdale South or Cleveland State Schools.
