FROM THE FRONT DESK

Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible.

SCHOOL PHOTOS

Today saw the school staff and students strike a pose for their class photo. Not only is this an opportunity for the school to publicly present all its finery, it is also an opportunity to preserve a moment in time for prosperity. I am pleased to report that everyone presented beautifully, with the photographer confident it was the best looking school he had photographed all year. A big thank you to all the parents/caregivers who ensured their child was in full school uniform, they looked sensational.

P&C

Thank you to everyone who attended Tuesday nights' P&C meeting. There certainly are a lot of exciting projects being undertaken by the P&C, which will benefit every child at *Alexandra Hills State School*.

The P&C is looking to fill the vacated secretary role. If you are interested in being part of a dynamic group with a focus on improving the opportunities for the students of *Alexandra Hills State School*, we would love to have you on the team. If you are interested and would like more information on what the role entails, please come and see me. It is a role, which comes with a great deal of support and the opportunity to contribute to a positive team environment.

Have a great weekend everyone!

WHAT'S HAPPENING IN CLASS:

Literacy

As children make the transition to independent readers and are able to decode and understand texts that challenge them, the skill of oral reading (reading to someone) is important.

In a program of reading instruction at Alexandra Hills State School we are looking for parents/caregivers assistance to listen to our children read. If you have any time to give to this program please see your child's classroom teacher, or register your interest at the office.

Regards, Lois Palmer, STLaN (Support Teacher Literacy and Numeracy)

Senior Choir Performance

The Senior Choir will be performing on Parade next Friday, 13th May at approximately 2.15pm in the Lester Centre. The Senior Choir is made up of all students in classes 3/4 Blue, 4 Black, 5 Aqua and 6 Lime. This performance will make up part of their performance component for music this semester. All students in these classes have practised and are ready to perform. It is up to individual students if they choose to perform with the Senior Choir on Parade or to do a separate performance assessment in front of only their class group.

Calling for classroom volunteers!!

Some of our classes require parent helpers to assist with changing over home readers etc... If you can spare a few minutes a day it would be greatly appreciated!! Please see your classroom teacher for more information on how you can help!
